Asian Forum for Accelerators and Detectors 2024

Wednesday 17 April 2024 - Friday 19 April 2024

Scientific Programme

WG1: Accelerator and its related technologies for photon science

WG2: Detector technology development

WG3: Accelerator technologies for industrial & medical applications

WG4: Innovative accelerator techniques

WG5: Accelerator and its related technologies for hadron (neutron) science

WG6: Network & computing

WG7: Cryogenics, cryomodule and superconducting technology for accelerators
