# 2024 FEL Summer School Course Description

1.  Each group will have a maximum of 6 students and will be divided into 5 groups. Participants will form their own teams and each team will elect a student to be the team leader. The team leader will be responsible for reporting the results of the team.

2.  The theme of the report is related to the content of the course.

3.  It is recommended that there be at least one female student in each team.

4.  Doctoral students or postdoctoral fellows are not eligible to be team leaders.

5.  Each member of the winning team will receive a gift and a certificate of merit.

6.  The team leader of each team will receive a gift.

7.  Full-attendance students will be awarded with full-attendance certificates.

8.  Each group will have 8 minutes for presentation and 4 minutes for questions from the examiners, making a total of 12 minutes for each group.

9.  6:00-9:30pm in classroom (L100) for practice and discussion.

10. Thursday, 3:20 pm: Tour of TPS beamlines and FEL-related labs.

11. Wednesday, 5:20 pm, we will have a dinner gathering in the NSRRC Restaurant.

12. Wednesday, 3:00 pm, group photo.

# 報告事項
